

Czech Technical University in Prague, Faculty of Architecture

DRAWINGS / EXHIBITION POSTERS

It is obligatory for every student to hand in his/her diploma project printed in coherence with one of the following variants:

option 1 – 4x single portrait formats A1. The upper or downer 5 cm will be used for data on the author, diploma project leader... if the division into 4 formats for any reason does not suit the student, he/she can hand in:

option 2 – poster of exact size 1188 landscape and 1680 portrait (i.e. corresponding exactly with 4x A1)

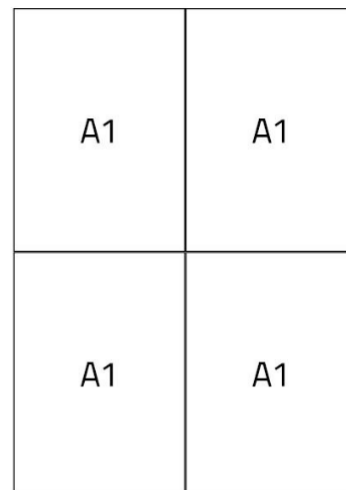

A different division of the total area (the total area is obligatory) is also possible, i.e. 4x A1 portrait, 2x A0 landscape, 2 x 594/1680 portrait, 1x 1188/1680 portrait

*Recommendation: 2x 2 portraits format A1 is more suitable for exhibition.

Immediately on defence these obligatory posters will be displayed on the Diploma Project Exhibition at FA CTU.

For the needs of defence, it is possible, on agreement with the head of studio, to print any further number of drawings in any size.

<p>Total area 1188 x 1680 / 4 x A1 different division of area is also possible, i.e. 4x A1 portrait 2x A0 landscape 2x 594 / 1680 portrait 2x 1188 / 1680 portrait</p>
--

Follow-up to the Diploma Projects Show organized by the Czech Chamber of Architects ČKA / for AU

The formats for variant 1, i.e. choice of two formats A1 and supplementation with the header according to the ČKA template, are prescribed with respect to the preparation of the poster for the ČKA show. The graphic documentation on the panel will be accommodated according to the stipulated obligatory pattern. Details on www.cka.cc.
