Topics for final theses (VŠKP)

Student: Kastlová Veronika Year: 0 Group: 0

The form is under construction. Please follow instructions of your faculty when inserting theses.

Only enrolled theses are shown in this form.

License agreement
Every student has to agree with license agreement before handing out the thesis. You can grant it thru form form with thesis details. You can also find text of license agreement here.

Process of handing out electronic version of thesis

- Click on Edit in the list of theses.
- Fill in all required details about final thesis. Name, translation of name, language, abstract and its translation, keywords and theirs translation have to be filled in.
- Insert pdf version of thesis. Saved file can be deleted or changed before handing out. Handed out thesis has to be identical to printed one!
- You will hand out thesis by clicking to Confirm handing out. You will not be able to change any details after that! Thesis supervisor will then express his/her opinion: accepted / refused.

Filed details can be saved and later on changed. All saved details can be accessed by thesis supervisor.

Filling thesis details, handing out electronic version and its acceptance by thesis supervisor are prerequisites for final state examination.
